

# Impact Job Days

**6-7 JUNE 2024**

**KINSHASA DRC**

**11 JUNE 2024**

**KISANGANI DRC**

**Accelerate your talent search at the leading career event dedicated to conservation, environment, and climate.**

On its third edition, Impact Job Days attracts top talents from 24 African countries, from experienced professionals to mid-level executives to fresh graduates.

Impact Job Days offers numerous opportunities to all recruiters searching for qualified, motivated talents for open positions, upcoming projects, temporary missions, and traineeships.

Impact Job Days also offers trainers, coaches, and experts for project in learning and development projects and capacity-building.

**3 VENUES**

- **Texaf Bilembo, Kinshasa City Center**
- **ERAIFT, Université de Kinshasa**
- **IFA Yangambi, Kisangani**

## **BENEFITS FOR SPONSORS AND EXHIBITORS**

### **COST EFFECTIVE**

- 1** You save money by recruiting candidates at the event. No limits on the number of candidates you can hire, no agency fees.

### **GROW YOUR TALENT POOL**

- 2** You typically get 80-100 new CVs at each event. That's a new talent pool you can hire from throughout the year.

### **SAVE TIME AND ENERGY**

- 3** Meet the top talents in person and quickly assess their personality and suitability for your open positions.

### **EMPLOYER BRANDING**

- 4** Showcase what makes you a great employer. Also, make people realize you have a particular type of roles available.

### **GET HIGH VISIBILITY**

- 5** Our robust marketing campaign generates high visibility for you. This means that you receive many applications in the weeks leading to the event.

### **ACTIVE JOB SEEKERS**

- 6** Hundreds of talents pre-register to attend. Our extensive marketing campaign targets the candidates matching our exhibitors' openings.

### **MAKE THE DIFFERENCE**

- 7** With thousands of jobs online in the market, it is difficult for employers to stand out. In a competitive market, it pays to be proactive and go directly to the candidates.

### **INFLUENCE PASSIVE CANDIDATES**

- 8** How do you target people who are not actively looking for a new job? How do you influence talents who are still undecided?

## ORGANIZATIONS WHO PARTICIPATED PREVIOUSLY

## ORGANIZERS YOU CAN TRUST

### ERAIFT

ERAIFT is a leading pan-African post-graduate university, developing the future leaders of conservation.

It operates under the auspices of UNESCO and with funding from the EU and other donors.

Since 2000, ERAIFT has trained 445 professionals coming from 24 African countries in land- and forest management.

### RADDI

RADDI, the association of ERAIFT Alumni Student, offers to former and current students the opportunity to build and maintain lifelong connections.

It promotes knowledge sharing, creates learning- and volunteering opportunities, and connects its members to job opportunities.

## OLIVE PEOPLE

### OLIVE PEOPLE DEVELOPMENT

People Olive Development is a training and human resources company, specializing in delivering custom talent strategies and programs and developing HR transformation projects.

It created Impact Job Days in 2022 with the purpose of enabling organizations in conservation and environment win in the highly competitive talent market.
